

MyMajors

Thinking about your college major,
but don't know where to start?

Try UC's new major explore tool, MyMajors

- Mobile friendly, short assessment gives you your 10 best fitting majors at UC
- Incorporate your strengths, interests, and preferences
- Narrow down your list of majors before entering college
- Share reports with your counselor, teachers, or parents
- Ideal for students in grades 10, 11, and 12
- Update your coursework and interests in assessment

Get started with MyMajors

- Go to **uc.edu/pathways/transition/mymajors** or scan the QR code →
- Use your school email to create your profile
- Enter as much information as possible for best results
